

Uniform Policy

Rationale

We want our students to be respectful, and wearing the uniform is one aspect of this. We want our students to be proud of being a student at Marian. The objective of Marian College's uniform policy is to promote a College culture which provides all students with a fundamental sense of belonging and to develop within each student a sense of personal identity which links to their commitment to the College community.

Expectations

Students are expected to be neat and tidy, at all times. We regard this as good training for life and reflects the self-discipline that is required. When wearing the College uniform, students are ambassadors for Marian Catholic College. Students are expected to show pride in their uniform and appearance whether they are at the College or in public. No other non-Marian items such as hoodies, jumpers, jerseys, trousers, shorts, tracksuits, hats or socks are to be worn. This Includes non- Marian Bags

Parental Support

When a student enrolls at Marian Catholic College Kenthurst, he or she signs an enrolment agreement and parents sign a parental agreement. In both instances they agree to abide by, and support, the school rules. Marian Catholic College is a uniform school and students are expected to be neat and well-groomed, at all times.
